

**The Fourteenth  
Desty Memorial Lecture  
for  
Innovation in Separation**

**Wednesday 7th October 2009  
10:30am - 4:30pm  
The Royal Institution of Great Britain**

21 Albemarle Street  
London W1X 4BS  
Tel: +44 207 409 2992  
<http://www.rigb.org>

**This year to honour the achievements of  
R.P.W Scott**

**Also incorporating the Royal Society of Chemistry  
Knox Medal**

**Entrance to the Lecture is free but  
as the Royal Institution lecture theatre can only hold 250  
people tickets will be allocated on a first booked allocation.**

**Together with the lecture, the Faraday museum in the Royal Institution  
will also be open giving delegates a unique opportunity to see  
Faradays Mayfair home and his research laboratory.**
